Dear Dr. Huang:

It is a pleasure to accept your manuscript entitled "Genetic diversity, population genetic structure and conservation strategies for *Pleione formosana* (Orchideace)" in its current form for publication in the *Taiwania*. The comments of the reviewer(s) who reviewed your manuscript are included at the foot of this letter.

Thank you for your fine contribution. On behalf of the Editors of the *Taiwania*, we look forward to your continued contributions to the Journal.

Sincerely,
Dr. Chang-Fu Hsieh
Editor-in-Chief, *Taiwania*

Comments to the Author:

After reading this manuscript, I think that this manuscript has been substantially revised in accordance with the suggestions of reviewers, and the current version is suitable for direct acceptance. However, there are still a few small typos, please correct them when proofreading:

1. "The second-best" and "=9" in P6 L23 should not be subscripted
2. Legends of Table 5 should not be subscripted
