The following email was sent to Ilya Viner from Fungal Systematics and Evolution regarding "**Revisiting *Lyomyces crustosus* and *L. juniperi*, with three new species and notes on allied taxa**".

You are receiving a copy of this notification because you are identified as an author of the submission. Any instructions in the message below are intended for the submitting author, Ilya Viner, and no action is required of you at this time.

Dear Ilya Viner,

I am pleased to inform you that we have decided to accept your submission without further revision. After careful review, we found your submission, **Revisiting *Lyomyces crustosus* and *L. juniperi*, with three new species and notes on allied taxa**, to meet or exceed our expectations. We are excited to publish your piece in Fungal Systematics and Evolution and we thank you for choosing our journal as a venue for your work.

Your submission is now forthcoming in a future issue of Fungal Systematics and Evolution and you are welcome to include it in your list of publications. We recognize the hard work that goes into every successful submission and we want to congratulate you on reaching this stage.

Your submission will now undergo copy editing and formatting to prepare it for publication.

You will shortly receive further instructions.

If you have any questions, please contact me from your [submission dashboard](#).

Kind regards,

admin_ojs admin_ojs
